

Lavish Life

Benalla's complete guide for all things beauty!

What ?? Why would Lou be sending me a playing card for Christmas ???

Hi it's Lou from Lavish, Yeah I know, you think it's weird too, BUT this card has great value and meaning to you. I figure it's meant to be a sign of good fortune for the new year of 2017, so DO NOT LOOSE IT!

With Christmas on our heels we are starting to look forward to 2017, I feel that it is going to be a ripper of a year. BUT.... We still have so much to do before that happens, like, Christmas shopping, wrapping presents, catching up with friends, parties and can't forget the planning on who is bringing what healthy treats to the Chrissy table for dinner ?

Not to mention EXPOSING OUR BODIES !! With summer just started, we all want to be looking silky smooth and sexy. All of this on its own can be hard work, not to mention that healthy glowing trim tanned body.

AHHH STOP !!! It's all too much.....

So what we have done for you at Lavish is given you a "TRUMP" (Excuse the punt) card. This card is only valid for next year 2017, in January and February.

Why is this ?????

We know as we will be busy just like you leading up to Christmas, you will be also, and that they are not going to be able to fit much more in.

So what is this playing card all about your askLavish has invented "Joker Poker" to play with you next year.

These cards have been picked at random and placed into the envelope with this letter, we don't even know what card that you have, as spent hours filing envelopes with our eyes closed. (No we just turned the cards around so we couldn't see it)

Here is how it all works.

Well me, I'm not much of a gamblers, I'm not really that good at playing games at all. WHY ? I am not really competitive at all; I really don't mind if I don't win, I just like having fun and playing the game. So this is why I thought it would be good to play with our wonderful clients, that way you all get to WIN and I have fun playing.

Keep reading to find out the rules it's really simple, and you're already a winner ☺
